Barn Wood Frames and Furniture

We make picture frames and furniture from aged barn wood. We make all kinds of furniture; all made with 100% aged barn wood from 75-100 year old barns. All State of Colorado employees are eligible to receive a **5% discount when ordering more than one item.**

Our barn wood comes from barns in the northern part of North Dakota. We rough cut our oak and plane it in our shop, which is located in Cando, North Dakota.
